Brandon is available for interviews, and WWH would appreciate any and all media mention, TV, radio, print or multi-media for its First Annual Jambalaya Fundraiser.

Governor John Bel Edwards has proclaimed April 1st 2016 as Wounded War Heroes Day.

Wounded War Heroes is a LOCAL, 100% volunteer-driven, tax exempt 501(c)(3) non-profit organization. Your donations are tax deductible.

Our FIRST ANNUAL JAMBALAYA DINNER FUNDRAISER is slated for Friday, April 1st 2016 at the St. George Fire Department's headquarters complex at 14100 Airline Hwy, Baton Rouge.

The requested donation is only \$7 per plate. Serving begins at 11AM until 2PM. We are offering FREE DELIVERY for orders of 50 or more. Whether you are a corporate citizen wishing to provide lunch for an entire jobsite or just want to pick up a lunch or two on the first post-Lenten Friday, please support this worthwhile project.

Wounded War Heroes was founded to show our appreciation to the men and women who have been wounded while in combat, by providing them therapeutic outdoor experiences upon their return home to "Sportsman's Paradise." Our sole purpose is to show these veterans that they have not been forgotten and that their courageous service and sacrifice for our country is appreciated.

Our volunteers are dedicated to enhancing the lives of veterans wounded in combat or otherwise designated as disabled by the Veteran's Administration by sharing our love of the outdoors through hunting and fishing adventures. These outings are planned with a focus on our Wounded War Heroes' abilities, not their disability.

To place orders or for more information please contact Brandon Hotard (himself a USMC veteran of two tours in Iraq) by phone at (225) 335-0693 or email - woundedwarheroes@gmail.com.

To learn more about the organization and some of our completed projects visit us on the web at www.woundedwarheroes.org or on Facebook.

WWH expresses its thanks to ITI Technical College and the St. George Fire Protection District for their support of this project.
