The St. George Fire Department does not make telephone solicitations for funds. We are entirely tax supported by the public we serve and are very grateful for their support

We have received numerous inquiries regarding a telephone solicitation reportedly for the benefit of the "fire department." As stated, we do not make such solicitations.

We have no knowledge of the validity of the event to which tickets are being sold. The St. George Fire Protection District has no affiliation with the parties engaged in this activity and will receive no funds from it.
